system of the present invention as shown in Figs. 22-24. Many blank note templates such as the  
one shown in [Fig. 33] Figs. 33A and 33B can be provided in the CD 1462. The user can  
simply choose one desired template and add the text "From the desk of Mary Smith" or other  
suitable text to make it a personal blank note sheet.

As shown in [Fig.33] Figs. 33A and 33B, the horizontal blank note sheet 1472 and the  
vertical blank note sheet 1474 have a boundary line 1478 and a boundary line 1480,  
respectively, with their sizes same as that of the boundary lines 1426 and 1452, respectively, as  
shown in [Fig. 23] Figs. 33A and 33B. A paper cutter or scissors will be needed to trim the  
paper along these boundary lines for making these blank note sheets.
